

Mission report February

에바브로디도, 나의 형제, 동료 일꾼, 동료 병사... 그는 향기로운 제물이요, 하나님께서 받으시고 기뻐하시는 희생 제물입니다. 빌립보 2:25, 4:18.

When we decide, as a body of believers, to work together in God's mission, it is a sign that Satan is being defeated. It is evidence of God's church working in unity and love to bring the message of Jesus to the world! This is exactly what happened with the apostle Paul and the church the church at Philippi.

왜 아직도 세계 인구의 27%가 복음을 거의 또는 전혀 접하지

못하고 있는 것일까? 현재 세계에는 234 개국에 70 억 명의 사람들이 살고 있으며 16,000 이상의 인종이 살고 있습니다. 그리스도 안에서의 참된 협력과 행보가 주님의 지상명령을 이루게 할것입니다.

"우리는 자라난 문화및 환경의 차이를 극복하고 단합과 복음의사명을 이루어야하는소명을 안고 살고 있습니다. 우리는 성령의 도움이 필요하며, 우리의 사명을 위해 우리의 차이점을 기꺼이 내려놓는 의지가 필요합니다!"

Greetings in His gracious name Jesus Christ! Our God is always faithful he keeps us safe and always strengthening us to accomplishing his mission through us. As a mission with a vision, many things have been happening since the beginning of the new year.

Our goals and vision are yet to be accomplished; it is our commitment to make the disciples of our Lord Jesus Christ

Institution.

In the beginning of the new year after missionary JIN YOO made a short visit to the mission on January we planned to start class number ten. We received three students from Karamojong Northeastern part of Uganda and one Kenyan student. Namely: - Cosmas, Askol, Samwel and Ignatius.

유 선교사는 제 10 기 개강기간 동안 학생들에게 기본적인 기독교 덕목과 하나님을 경험하는 것에 대해 가르치며 학생들과 교류하고 준비시키는 멋진 시간을 가졌습니다.

It is our mandate to equip the saints for works of ministry and to build up the body of Christ,
[until we all reach unity in the faith and in the knowledge of the Son of God, as we mature to the full measure of the stature of Christ.](#)

AGAPE MINISTERIAL TRAINING COLLEGE is committed to equipping students with virtues from the bible which has been seen to instill moral values, ethical principles, and character development. Our main aim is to train and send them to the mission field.

Why is it important to apply what we learn from God's word?

With a deeper knowledge of Scripture comes a stronger judgment if we fail to apply what God shows us. When we start studying the Bible, God begins to show us areas of our lives that need to be changed, and he calls us to greater and greater responsibility as he does that.

아가페 미션 아프리카는 동아프리카 7 개국을 향한 우리의 사명을 달성하기 위해 우간다에서 온 학생들을 훈련시키기 시작했으며, 이는 또한 우리의 선교 비전과 목표를 세계에 달성하는 방법이기도 합니다. Director Jin Yoo have had a wonderful time with the students by equipping and influencing them to realizing there calling and expounding them through application of Christs teachings.

Agape mission institute ensures that every student who has been trained will have a full potential of realizing the calling and have in mind that, a leader serves. In Matthew 20:25-28, Jesus tells His disciples that leaders should not exercise authority over people. Instead, whoever wants to become great must lower himself to be a servant. Leaders realize that serving others is the only way to lead with a pure heart, free of pride and arrogance.

We are asking to pray for this Tanzanian class to begin well and have a successful and smooth program all through, we are also looking forward to having a gateway to reaching out to Rwanda, Burundi and Congo.

AGAPE CHILDREN'S CHURCH

A church ministry creates a space for children to spend time learning about God, good morals, and standards and get closer to people who follow the Lord. It can help children to stay grounded, avoid falling into bad habits and guide them throughout their childhood.

아가페 선교회는 어린이 교회를 설립하여 젊은 세대에게 다가가야 할 필요성을 느꼈습니다. 어린이 사역은 지난 2023 년에 시작되었으며 현재 매 주일 예배에 최대 35 명의 어린이가 참석하고 있습니다.

IMPORTANCE OF CHURCH MINISTRY TO CHILDREN

It provides opportunities for children to connect to their peers and form healthy friendships. A church ministry creates a space for children to spend time learning about God, good morals, and standards and get closer to people who follow the Lord. It can help children to stay grounded, avoid falling into bad habits and guide them throughout their childhood. By joining a ministry, you will also have relief in knowing that your child is not joining negative

communities or criminal groups that can harm them. Your child will be kept safe while being taught how to contribute to society and serve the Lord.

Children's ministries help to create meaningful relationships within family units. The church community is a family of its own, but ministries help to bring children together to create good relationships with each other and the church. It only encourages godly parenting and helps parents to guide their children so that they enjoy church-related activities. Families are encouraged to attend church as their kids will be involved in church and they would want to support them. It can also help families who don't attend church to start to attend as children will often teach others the importance of church and talk about how much they enjoy it.

IMPORTANCE OF CHILDREN'S MINISTRY ON THE CHURCH

어린이 사역은 이 교회의 주된 목표로서 우리의 미래를 이루어줄 희망의 꿈나무들을 그리스도의 말씀과 성령의 인도하심으로 살아갈 수 있도록 가르치는데 목적을 두고 있습니다. 가나안 약속의 땅을 밟지

- It is good for schools as it teaches them how to respect authority and to have good manners.
- Children's ministry provides kids with opportunities to help the community, such as doing acts of good and feeding the poor.
- It teaches children to love their neighbor, encouraging them to have a love for everyone and creating a more peace in the world.
- The word of God is spread among Christians which helps to grow the Christian community.
- It teaches kids to work together and to work hard, which teaches them to be better employees and future leaders.

CHRISTIAN ELEMENTARY SCHOOL

Christian school provide the right nurturing environment that helps children not only to excel in academia but also develop character and grow up to become well-rounded individuals. Christian education encourages children to steadily improve on all levels: intellectual, physical, social and spiritual. In the era when good moral values appear to be challenged on many fronts, more parents begin to appreciate the advantage of private, faith-based academic institutions.

For the past two years our mission planned to have pig farming, mainly to help us create some funds to run other amenities as a mission but up to date we have not been successful, mainly we have found this area is not favorable for keeping pigs.

지난 2 년동안 열심을 다해 보았지만 경험 부족과 질병, 그리고 충분한 사료를 공급하지 못해 아직도 12 마리에 머무르고 있지만, 실망하지않고 기도하며 더욱 성실히 자립선교를 이루어 나갈 수 있도록 노력 합니다. 기도해 주시기 바랍니다.
